HOW OUR PROGRAM WORKS

At Hereward Farms, nestled in the heart of East Garafraxa, Ontario, we're not just cultivating lavender on our sprawling 250-acre farm but also growing community spirit. With over 6,000 lavender plants painting our fields a vibrant hue of purple, we've created a serene oasis that's as much a treat for the senses as it is a testament to our commitment to sustainability and all-natural beauty. Our motto, "We grow it. We make it. You love it," speaks volumes about our passion for crafting all-natural skincare and home products that bring a piece of our farm into your home.

This year, we're excited to introduce the Hereward Farms School Fundraiser Program, a unique opportunity for schools to raise funds while promoting wellness and sustainability within their communities. By partnering with us, schools can offer our range of locally made, all-natural lavender products, from soothing skincare items to aromatic home essentials, as part of their fundraising efforts. It's a win-win: schools benefit from a generous portion of the sales, and supporters enjoy high-quality, eco-friendly products that are proudly 100% Canadian.

We believe in the power of community and the importance of giving back. That's why we're inviting schools across Ontario to join us in this fragrant journey of fundraising and awareness. We can make a difference, one lavender plant at a time.

Our fundraising contribution

- Hereward Farms will donate 10% of total sales to the school (i.e. \$4,000 in sales x 10% = \$400 back to the school).
- If a school fundraiser's sales total more than \$5,000, Hereward Farms will donate 12% of total sales to the school. (i.e. \$6,000 in sales x 12% = \$720 back to the school).
- The top-earning school across all school fundraisers this year will receive an additional \$500 for their school.
- The top-earning student in your school will win a \$100 gift basket from Hereward Farms.

Questions

- Orders will be collected after the end of your fundraiser, and delivery will begin within three weeks.
- Hereward Farms will receive all the order forms + one payment from the school and will donate a cheque back to the school with the receipt.
- If families wish to order with us after the fundraiser, our website takes payment online. The order will be delivered directly to them, or they can pick it up at our Lavender Lounge + Boutique. This will not account for additional funds for the fundraiser.
- please contact hello@herewardfarm.com to set up a fundraiser for your school and any questions.
